## Myers Resigns, Reavis Chosen Mayor

### City Government Quickly Reorganized By Naming Of W. O. Preston To Council

#### Many Surprised At Action Former Executive Long Had Contemplated

A. S. Myers stepped out of and H. Clay Reavis into the mayor's office at a meeting of the City Council on Wednesday night.

Mr. Myers also stepped out of the Council and Warren O. Preston, of 503 West Montecito avenue, was elected by the remaining Councilmen as his successor, immediately taking the vacant seat.

In less than half an hour from the time the resignation of the former Mayor was read the new city government was organized and functioning.

Though the city generally was surprised at the former Mayor's resignation many knew that he had contemplated resigning since the fall of last April.

As he assumed his seat at the head of the Council table on Wednesday he advised his colleagues that his resignation would be presented during the evening and later handed it to City Clerk Elmer A. Green, who read it as follows:

"Gentlemen: "Finding that it will, in the future, be impossible for me to give any considerable amount of time to the duties and offices of city councilman and mayor, I hereby resign from the same and desire my resignation to take effect at once. I regret the necessity of this action, but believe it to be absolutely unavoidable.

"Permit me to state that my association with the members of this board has been pleasant, harmonious, and satisfactory. It has been a pleasure to work with such unselfish men, who are serving for the sole purpose of benefitting the City of Sierra Madre, and without regard to personal reward or advancement.

"You have my sincere good wishes for the continued success of your work as City Councilmen. The City of Sierra Madre is indeed to be congratulated on having such splendid public servants as you have proven to be."

There was a general expression of regret about the Council table, but the Mayor asked that it be immediately acted upon. Following its acceptance Ralph W. Stewart was elected acting Mayor and the Council recessed for 10 minutes, at the expiration of which time it proceeded to the election of Councilman H. Clay Reavis, a resident of Sierra Madre canyon, as Mayor, following his nomination by Councilman L. K. Layton.

Councilman Stewart then nominated Warren O. Preston as Mr. Myers' successor as a member of the Council, he being named unanimously elected. Wilbur F. Thayer, sitting among the spectators, suggested that suitable appreciation of Mayor Myers services to the city be expressed and Mr. Stewart moved that at the next meeting of the Council the city clerk present a suitable resolution. Mr. Myers had been a member of the Council for three years and Mayor for half of that period.

The new Mayor, Mr. Reavis, announced the following committees of the Council: Ordinance, building and finance, Mayor Reavis, chairman, and Councilmen Lees and Preston; water, street and sanitation, Councilmen Stewart, chairman, Layton and Lees; fire, police and park, Councilmen Layton, Stewart and Preston.

The new Mayor, born in Southeastern Missouri where he served for several years as assistant cashier of the First National Bank of Dexter and from which place he enlisted in the World War, came to California with Mrs. Reavis shortly after the close of the war and to Sierra Madre in 1920. He saw service at St. Mihiel and in the Argonne. He was appointed to the Council in 1929 and re-elected by the people last April for a four-year term. He is secretary of the Kiwanis Club and a former commander of the American Legion post.

The appointment given Mr. Preston by the Council expires a year hence. His parents and four sisters came here in 1912, two of the sisters still residing here. He has been here much of the time since 1915 and became a permanent resident five years ago. He was recently elected a member of the board of trustees of the Congregational church and is Scoutmaster of Troop No. 1 of the Boy Scouts.

#### SCHOOL PUPILS TO ENTERTAIN PARENTS AT MEETING OF P.T.A.

Eloise A. Hafford, nationally known speaker on problems of childhood, member of American Academy of Political and Social Science will address the Sierra Madre P.T.A. Wednesday, January 21, at 2:30 p.m. Miss Hafford is a speaker of unusual sincerity and knowledge of her subject being at present director of education of the Ruth Protective Home.

"Little Children and Their Mothers" is chosen as her subject. An interesting program by the kindergarten children will be presented, the boys as wooden soldiers and the girls in a dance of the dolls. Miss Claire Newman and Miss Bayard will sing a group of songs.

A membership drive in charge of Mrs. William Adwell is being enthusiastically carried on by the children with keen competition between grades for the prize.

#### FRANCIS M. KENNARD IS LAID TO REST HERE

Frances Marion Kennard, aged 77, passed away at his home, 158 West Highland avenue, last Friday. He had been a resident of Sierra Madre for a number of years, and is survived by his widow, Mary E. Kennard, a daughter, Mrs. C. H. Sandage, and a son, Charles Kennard of this city.

Funeral services were held on Sunday from the Ray A. Grant Funeral Parlor, with Rev. Arthur O. Pritchard officiating. Interment was at the Sierra Madre Cemetery.

### Remarkable Demonstration Of Grammar School Work Given By Its Pupils At Woman's Club

An insight into the remarkable work being done in Sierra Madre's grammar school was given at the monthly luncheon of the Woman's Club on Wednesday when a program featuring more than a hundred pupils of the school was presented under the direction of Elizabeth Steinberger, the principal.

Mary Pfahler, music director, introduced the Rhythm Band of 36 children from the first and second grades. Their selections were "Rendezvous" and "Le Secret." The orchestration was carried by trumpet, triangles, xlophone, tambourine, wood blocks, sand blocks, birds, bells, cymbals, drum and gong.

The Harmony Band, with 60 members drawn from the third, fourth, fifth and sixth grades, gave an ensemble, "Fight On," "Fighting for California," and "Anchors Aweigh."

The Spanish group included "Juanita" and "La Paloma." The popular numbers were

"Spring Time in the Rockies," "Gee, How I'd like to Make You Happy," and "Here Comes the Sun."

In the last two groups parts were carried by George Groff, Billy Mays, Carlyle House, Frederick Bruce, Clark Thew, David Allen and Harry Feder.

The Play, "Greedy Cortez," was presented by the fifth grade pupils and directed by the teacher, Virginia Berry. The skit was written by teacher and pupils as a part of their daily study of "Our Neighbors" and is an expression of the present method of teaching history.

Costumes were designed and made by the teacher and pupils also.

All children acting, delighted the audience, but special mention seems due Jane Anderson, Rudolph Hartman Jr., Roy Buchanan, Henry Shippey, Lyle Hial, Ellet Jackson, Buddy McRoberts, and Alberto Besserro.

#### OFFICERS CHOSEN AT ANNUAL MEETING OF ST. RITA'S SOCIETY

Officers for the ensuing year were elected at the annual meeting of St. Rita's Altar Society on Tuesday in the auditorium. Those chosen were Mrs. Charles Young, president; Mrs. A. Delvece, vice-president; Mrs. C. Burns, secretary and Mrs. W. F. Jones, treasurer. Installation of the new officers will take place at the meeting on February 6.

The 1931 activities of the Altar Society will begin with a card party, Tuesday, January 20, at 8:15 p.m. Bridge and 500 will be played. Hostesses for that evening will be Mrs. M. H. Otte, Mrs. A. Gourdeau and Mrs. L. Wynne. Refreshments will be served and an enjoyable evening is assured.

The wonderful results accomplished by the St. Rita Society during 1930 are in a large measure due to the officers, Mrs. C. Collins, president; Mrs. L. Wynne, vice-president; Mrs. Charles Young, secretary, and Mrs. W. F. Jones, treasurer.

#### VARIED PROGRAM FOR THE WOMAN'S SOCIETY

The Woman's Society of the Congregational Church will meet Tuesday, January 20. The Prayer Circle led by Mrs. Fred Wilcox of Pasadena, will meet at 11:30 in the parlors. At 12:30 luncheon will be served and reservations must be made with Dr. Adda Brady, Black 191, by Monday night. Mrs. Elmer Green, program chairman, has arranged an interesting program, which will follow the luncheon. Mrs. Franklin Swift will lead the devotions, Mrs. Jerome Rice will read a consecration poem, Miss Lulu Moore will give a report on the missionary books in our public library and a ladies quartette will sing. Miss Stella Coe of Pasadena, will speak on the work among foreign mothers carried on by the Board of Education in Pasadena. Everyone is cordially invited to attend these meetings.

### 'Bob' Carr Is Laid To Rest As He Wished

#### Only "Taps" Sounded By Comrades At Well-Known Writer's Funeral

Buglers from Sierra Madre American Legion Post 297 sounded "taps" at the Sierra Madre cemetery on Tuesday afternoon and groups of personal friends and veterans of the World and Spanish-American wars began to walk slowly towards Central avenue. There had been no other services or ceremony at the funeral of Robert V. Carr, one of Sierra Madre's colony of writers; "Bob" had been laid to rest as he wished.

The passing of Mr. Carr at his home in Sierra Madre canyon last Friday came as a surprise to many of his friends for they had greeted him in the downtown district early in the week when he was making a heroic effort to overcome the illness that caused his death.

Mr. Carr came to Sierra Madre 12 years ago and had lived quietly in his canyon home where he wrote for many magazines stories that, for the most part, had as their background experiences in his early life in the Dakotas when the West was wild and life was thrilling and during his later long experience as a newspaper worker and publisher, for he pursued his profession in Chicago, Denver, Seattle, Sioux City, Ia., Spokane and Los Angeles as reporter, columnist and editor.

During the last few years he suffered from an illness that had its origin in his Philippine service during the Spanish-American war. In the hope of regaining his health he went into the desert near Palm Springs where he wrote so much of Palm Springs that he is credited by many with attracting investors to the spot and with the ultimate development of that section as a resort where there had been only sand and sage and the few palms in Palm Canyon. While there he acquired a ranch that borders on the route selected for the aqueduct that will bring the Colorado water to Southern California and which has greatly increased in value.

He made many friends here—

### Big Turnout At Dinner Of Men's Community Club

The Men's Community Club held its first meeting of the year last evening in the social room of the Congregational Church. More than eighty men sat down to a roast beef dinner, prepared by the ladies under the direction of Mrs. Elmer A. Green. On removal of the plates the president introduced several of the guests, including the newly chosen Mayor, H. Clay Reavis and W. O. Preston, just appointed Councilman.

Mr. Green explained that the Men's Community Club has no ax to grind, no "isms" to inculcate and has no specific objective other than to promote good fellowship among the men of our city. In furtherance of this, he said, he had urged the members to bring as guests last evening, strangers of our community as distinguished from personal friends.

It had been announced, he said, that Dr. Fox of Pasadena, would be the speaker, but at the last moment it was discovered Dr. Fox had confused his appointments. Dr. Wellington Pierce, of Long Beach, served as "pinch hitter" in this emergency and gave a splendid talk entitled "International Personalities."

### Southland Is Victim Of Disloyalty

#### Placed At Great Disadvantage By Organization Of The Legislature

By FREDERICK F. HOUSER

Assemblyman 53rd District It is most regrettable that in the organization of the Assembly at this critical time Southern California should be placed at very great disadvantage by the election of a Speaker from the North, especially when this unfortunate condition was brought about not only by the votes of Southern California Assemblymen, but actually by representatives of Los Angeles county.

One vote would have prevented the re-election of Edgar C. Levey, of San Francisco for it would have resulted in a tie instead of the 41-39 vote that was recorded. Walter Little of Santa Monica would have been elected on the next ballot for a number of those who supported Levey were pledged to him only for the first roll call and would have swung to Little thereafter.

The importance of this election lies in the fact that the speaker (Continued on Page Three)

warm ones; among members of the Legion, who knew him best and who accompanied the remains from the Grant Funeral parlors to the cemetery. The pall bearers, were Mayor A. S. Myers, Tom W. Neale, Guy Scott, Victor Hill, Ralph Stewart and George Hapgood.

Born in Illinois in 1877, he accompanied his parents to the frontier town of Rapid City, S.D. when he was aged about 11. His association with cowboys, Indians, and soldiers there gave him the color for many of the stories that he later wrote. He began his newspaper career at Edgemont, S.D., at the age of 17, later publishing the Jawbone Magazine and the Whitewood Plain Dealer and through his writings became known as "the cowboy poet of the Black Hills."

Returning from the Philippines after the war he re-entered the newspaper business and in 1910 he and Mrs. Carr came to Los Angeles, coming to Sierra Madre in 1912. They divided their time between this city and Palm Springs until 1920, when they became permanent residents here.

Among his published volumes were "Black Hills Ballads" in 1902, and "Cowboy Lyrics" in 1912. His most recent short story appeared in a late issue of "Adventure."

Dr. and Mrs. W. S. Carver of Fort Dodge, Ia., were week-end guests of Mr. and Mrs. Fred McLellan of 130 Suffolk avenue. Mrs. Carver is the sister of Mrs. McLellan. Dr. and Mrs. Carver have been spending the holidays in Sunny California and will return to Iowa next week.

### Prepare To Answer Call Of Distress

#### Sierra Madre's Red Cross Is Assigned \$1500 Quota In Hoover's Appeal

President Hoover's call for \$10,000,000 to be donated by the people of America has been heard and the quota of Sierra Madre set by the American Red Cross at \$1,500.

A meeting was called by Chapter Chairman Humphries Wednesday afternoon at which time representatives from many organizations and the directors of the local chapter were present. A plan was discussed and work started on the raising of funds for the relief of the drought stricken areas in the East.

Contributions to this fund can be made at Red Cross Headquarters in Mr. Humphries office and all are urged to respond at once. A dinner and entertainment is being planned to help raise the quota assigned this city.

Mr. Humphries at the meeting stated:

"The need for funds at this time is more urgent than it was at the time of the Mississippi River flood as practically one-third of the United States is affected by the drought. There are thousands of families without food who have been reduced to a condition of abject poverty by the condition that has existed in certain parts of the country during the past summer.

"When appeals have been made in the past the response of Sierra Madre residents has been wonderful—in fact Sierra Madre has made many Red Cross records and we know everybody here will do their bit."

The annual meeting of the local chapter of the Red Cross will be held at the Community Service Building Monday, January 26, at 4 p.m.

### Gift Of The Firemen Is Ready To Go

#### Presentation Of New \$14,000 Truck To City Arranged For Next Friday

A sparkling new piece of fire fighting machinery appraised by officials of the Los Angeles and Pasadena fire departments at \$14,000 will be presented to the people of Sierra Madre next Friday night by their Volunteer Fire Department.

At the suggestion of citizens and officials the event will be marked by a formal ceremony either at the City Hall or in the auditorium of the new grammar school building, in addition to which there will be a demonstration of the uses of the augmented fire equipment and the efficiency of the firemen at an imaginary fire in the downtown district.

The firemen have selected their chief, W. D. Richards, to make the formal presentation. The new Mayor, H. Clay Reavis, will receive the gift on behalf of the people. The public, of course, is urged to be present and of course there will be no admission, or formality. The demonstration to be put on by the firemen will be staged at the Pacific Electric station.

Except for the chassis of a Pierce-Arrow limousine which the firemen bought with their own money, the new combination fire truck is entirely the work of the firemen themselves. They have been working on it in the evenings for months and had hoped to have it ready to turn over to the city as a Christmas gift on Christmas Day. This was impossible.

"But it looks now as though it had just been turned out of the country's leading fire equipment factory and is all ready for the ceremony."

The plumbing and electrical installations for the new Temple Beth Israel have been awarded to local merchants. The Sierra Madre Hardware company has been given the contract for the plumbing and W. J. Ropp & Son secured the electrical work. The new Temple is progressing according to schedule and it is hoped to be completed in 45 days.

### Shippey Talks To Home Town Women

Mrs. E. E. Bacon, club president, called together over 100 club members and friends about tables fragrant with sweet peas and heather, for the monthly luncheon of the Woman's Club on Wednesday. She introduced Lee Shippey, columnist of the Los Angeles Times, as guest speaker.

In his "Shots at Random," Mr. Shippey read his "Boy that was You," and interspersed his quips and philosophies with other poems. After paying an exquisite tribute to his mother, he told of writing "Candle Light" as a tribute to his own and all other gentle mothers.

Charles Wakefield Cadman so valued the poem that he composed music for "Candle Light." This was sung at the luncheon by Laura E. Cadmus, accompanied by Mrs. George Morgridge.

Mrs. Sherman Hoyt, of Pasadena, President of the International Desert Conservation League, acknowledged her introduction, by telling graciously of the conversion of a Mexican friend to the Desert Faith.

### Sell Edison Shares For Extensions

#### Utility To Use \$7,000,000 Issue In Its Big Improvement Program

Announcement that the Southern California Edison Company has made formal application to the California State Railroad Commission for permission to issue rights to original preferred and common stockholders, was made yesterday by John B. Miller, chairman of the company. The offering of rights, to stockholders of record February 27, 1931, provides for the issuance of 312,000 shares of new common stock of the par value of \$7,800,000.

Holders of original preferred or common stock will be given the right to purchase new shares at \$25 par in the ratio of one new share for each ten shares held. Warrants representing the right to purchase will be delivered about March 25th and the period for subscription under the offer will extend from March 25 to April 20, 1931, inclusive. The new stock will be issued on April 21, 1931 and will share in dividends from that date.

A new feature in this offer will be the provision for time payments by subscribers who exercise either their own or purchased rights. They will be permitted to subscribe by making an initial payment of not less than \$5 per share, the balance in four installments of \$5 each, final payment to be made by December 31.

Mr. Miller said that the money realized from this sale of additional common stock will be applied to the Edison Company's expansion program for 1931, for which a budget of \$28,000,000 has been made. The balance of new money required for the budget will be secured through the issuance of bonds and a relatively small amount of preferred stock.

### SIERRA SWEET SHOP OPENS HERE TOMORROW

The Sierra Sweet Shop at 18

### Kiwanis To Celebrate Its Birthday

#### Growth Of Local Club Adds Interest To The 16th Anniversary

"The birthday of Kiwanis International will be celebrated in Sierra Madre during the week of January 18th to 24th, when Kiwanians here will join with the 1869 other clubs in the United States and Canada to commemorate the 16th anniversary of the founding of the organization," Waverly Pratt of the local club announced today.

The first club was organized in Detroit in 1915. On January 21st of that year the first meeting was held. The service organization has grown rapidly and today there is a membership of approximately 100,000. Raymond M. Crossman, of Omaha, is the International President.

"The Sierra Madre Club is now four years old," said Mr. Pratt, "and we have enjoyed the growth and development that has come to the international organization, of which we are a chartered and active unit. Our program for the anniversary meeting will be in charge of the committee on Kiwanis Education, Thomas Miller, Jr., chairman."

The major work for community activities for 1931 will be emphasized at the meeting and there will be reports of the work accomplished here.

The local club was favored last Tuesday with the presence of L. V. Roverson, secretary to Mr. W. K. Kellogg, famed in Southern California for his Arabian horses. The Kellogg ranch is located at the outskirts of Pomona and comprises some 800 acres. Mr. Roverson ran off two reels of film, showing parts of the ranch, together with some of the prize Arabian stock.

Plans are now under way for the fourth annual Charter Night Banquet, under the direction of the entertainment committee composed of Gordon Brooks, Waverly Pratt, Charles Klunk, Dr. M. H. A. Peterson, Gus Risher, Frank Suencer and Jack Horsford. The banquet will be held Tuesday, January 27th at the Woman's Club and will replace the regular Tuesday luncheon for that day.

#### FARRAR PUPIL SINGS FOR LOCAL BENEFIT

Nina Tonelli, pupil of Geraldina Farrar, will sing in Spanish, Italian, German and English at a benefit concert of the Passionist Fathers of Sierra Madre, at the Hollywood Knickerbocker Hotel, 1714 N. Ivar avenue, Los Angeles, February 14. Miss Tonelli has sung in Blossom Time here on the coast and in the Student Prince in New York. Tickets for this benefit may be secured from Woodson F. Jones at Main 182.

West Central Avenue will be formally opened tomorrow morning and throughout the day Lucille Davis, the proprietress, will present prospective young patrons with ice cream cones. In addition to a complete line of candies and sweets the Sweet Shop will operate an up-to-date fountain and serve home cooked lunches. It will also handle school supplies, cigars and tobaccos and serve as the agent here for the leading magazines and periodicals.

### Canvasses From Sierra Madre's Art Colony Grace Walls At Many Southern California Exhibitions

Exhibiting at the Beverly Hills Woman's Club for the month is Henry Ivins Hawkhurst, Sierra Madre artist, who has several examples of his leather brush technique paintings shown.

"Desert Snow" made during the unusual cold of the spring last year, when the Mojave was covered with snow, is creating a great deal of comment because of the painter's clever depiction of the underlying warmth of the desert with a dramatic note of ominous snow clouds sifting down.

The Beverly Hills club is one of the most active of the smaller clubs which is furthering art under its curator, Thelma Padlock Hope, well known painter and who is to exhibit in our own "Little Gallery" next month.

Another Sierra Madre painter, Alfred James Dewey, is showing a group of paintings in Long Beach at the Catherine C. Polk

Galera together with the work of Albert S. Marshall.

The Mannheim exhibit continues in the "Little Gallery" for the rest of the month.

Miss Lusted, art instructor of the Sierra Madre City School is showing, through the courtesy of Mrs. Fred Griebow, art chairman, in the art room of the new school building, an exhibit of colored block prints. These are the work of the young artists, Lois Eaton, whose Spanish Prints were shown in the City Hall last spring. The public is invited to view these prints.

Leonard Borman of West Central avenue is showing a group of watercolors and drypoint etchings at the Brice-Lowe Galleries in Los Angeles.

Alfred James Dewey left Friday with Albert S. Marshall for a week's sketching trip in the desert, Imperial Valley.

#### MY CITY AND I

My city is the place where my home is founded, where my business is situated, where my vote is cast, where my children are educated, where my neighbors dwell, and where my life is chiefly lived.

It is the home spot for me. My city has a right to my civic loyalty. It supports me and I must support it.

My city wants my citizenship—not partisanship; friendliness, not offishness; cooperation, not dissension; sympathy, not criticism; my intelligent support, not indifference.

#### Call On Club Women To Boost Sale Of Christmas Seals

An urgent appeal to Sierra Madre members of the Federation of Women's Clubs to rally to the support of the Christmas Seal is made by Mrs. Seward Simons,

chairman of the committee on cooperative organizations in the Los Angeles County Tuberculosis and Health Association.

"Clubwomen realize the growing importance of child health work in the prevention of tuberculosis," states Mrs. Simons, "especially at this time of unemployment when nourishing food is lacking for those children who need it most."

"This is a crucial time when the cooperation of every clubwoman is needed. I feel sure that if the seriousness of the situation is realized Sierra Madre clubwomen, as in the past, will put their shoulders to the wheel and see to it that the full quota of funds needed to be raised through the Christmas Seal sale is reached. So far only fifty percent of the returns have been received from Christmas Seals mailed to residents of Sierra Madre."

Mr. and Mrs. Frederick Carter of Pasadena, were the Sunday guests of Mr. and Mrs. Harry Lyons, 80 East Laurel avenue. Mr. Carter, formerly of Evanston, Ill., founded the Arden Dairy.

Miss Norma Rose Smallwood, of Pasadena spent Sunday with her cousin, Dorothy Romg, on Woodland Drive.

#### Here and There

By H. L.

The little fleas that do us tease, Have lesser fleas to bite them. And these again have lesser fleas, And so ad infinitum.—Swift.

This economic crisis has skipped pretty well over Sierra Madre, and there has not been one business failure in this city because of it. Certainly this community qualifies as a "white spot." Instead, building permits and construction in 1930 exceeded in volume the good record of 1929 and (will you believe it) the Pacific Electric Railway receipts also showed comparative increases this fall just past in Sierra Madre.

It is rather difficult to find a vacant house suitable for the sort of people who covet residence here—a marked change over two years ago when the "For Rent" signs were so numerous. Even the little rental furnished cottages on the rear of lots, which give so valued a privacy to writers, artists and are a special haven for light-housekeeping widows, widowers, bachelors and maids, for it is sort of like living in flower gardens, and one can wear pajamas all morning long without publicity—even those cottages are what a Mississippi darkey would call: "Sorta skeerce," if one seeks an empty one.

Aside from a slight fire hazard, because of rather light construction in wood, those cottages are regular "finds" for nice people who cannot pay much rent out of small incomes, but who can enjoy to the utmost the quiet peace of Sierra Madre and who are indeed valuable citizens of this community in every way—readers, thinkers, doers. And there certainly is a high moral atmosphere here, unmarred by "parties" or stimulated revelry. (If there is a bootlegger in this community, Judge Lasater has not found out about him.)

During three years (almost) residence on Laurel avenue, in the heart of the cottage belt of Sierra Madre, where some property-owners own as many as three cottages on one lot as a source of revenue, and two cottages are almost compulsory if one would conform to custom, there has not been one call for our staunch volunteer fire department. Indeed there is not a sign of there ever having been a fire on East Laurel avenue; that is no blackened foundations loom before us as two do on Baldwin avenue on large lots

#### Get Help From The Bible

When in sorrow, read John 14.  
When men fall you, read Psalm 27.  
When you have sinned, read Psalm 51.  
When you worry, read Matthew 6:19-34.  
Before Church service, read Psalm 84.  
When you are in danger, read Psalm 91.  
When you have the blues, read Psalm 34.  
When God seems far away, read Psalm 139.  
When you are discouraged, read Isaiah 40.  
If you want to be fruitful, read John 15.  
When doubts come upon you, try John 7:17.  
When you are lonely or fearful, read Psalm 23.  
When you forget your blessings, read Psalm 103.  
For Jesus' idea of a Christian, read Matthew 5.  
For James' idea of religion, read James 1:19-27.  
When your faith needs stirring, read Hebrews 11.  
When you feel down and out, read Romans 8:31-39.  
When you want courage for your task, read Joshua 1.  
When the world seems bigger than God, read Psalms 90.  
When you want rest and peace, read Matthew 11:25-30.  
When you want Christian assurance, try Romans 8:1-30.  
For Paul's secret of happiness, read Col. 3:12-17.  
When you leave home for labor or travel, read Psalm 121.  
When you grow bitter or critical, read I Corinthians 13.  
When your prayers grow narrow or selfish, consult Psalms 67.  
For Paul's idea of Christianity, read II Corinthians 5:15-19.  
For Paul's rules on how to get along with men, see Romans 12.  
When you think of investments and returns, read Mark 10:17-31.  
For a great invitation and a great opportunity, read Isaiah 55.  
For Jesus' idea of prayer, Luke 11:1-13; Matthew 6:5-15.  
For the prophet's idea of religion, Isaiah 1:16; Mic. 6:6-8.

—Prof. Harris Franklin Hall.

that had only one house to the lot.

It would be a pity to have these little cottages interfered with in any way with a mistaken idea we have to ape metropolitan conditions and allow a single dwelling to a single lot. That would take away the opportunity to live here from some of meagre income, and deprive good people of small rentals that space out their expenses. Let's not do it. Why "regulate," and "regulate" and "regulate" everything on God's green earth? Why work hardship on people, nice in every way, who lack a plethora of this world's goods?

#### Many Districts Jump Taxes For Upkeep Of Schools

Only five school districts in Los Angeles county cut their 1930-31 tax levies under the rates fixed for 1929-30 according to a tabulated statement just released by the school authorities. The comparative figures show a lower rate in Los Angeles, Glendale and the larger cities than in the smaller ones. A partial list of the districts and their assessments per \$100 of valuation follows:

District	1930	1929
Alhambra	\$2.20	\$2.17
Arcadia	2.14	2.13
Azusa	2.63	2.32
Burbank	2.23	1.98
Covina	2.07	1.87
El Monte	2.14	2.44
Glendale	2.11	2.15
Monrovia	2.30	2.28
Pasadena	2.19	2.03
Pomona	2.14	2.21
San Gabriel	2.25	2.14
Sierra Madre	2.41	1.77
South Pasadena	2.02	2.02
Whittier	1.99	1.97

Mrs. Mary E. Fitts, who has been seriously ill at the Glendale hospital for the past two weeks with pneumonia, returned Wednesday to the home of her daughter, Mrs. J. L. Asbury.

#### WHY NOT MAKE THIS CITY COLORFUL AND GAY, A READER ASKS

To the Editor of the Sierra Madre News:  
May I be so bold as to offer a friendly criticism of Sierra Madre?

It is noted, I believe, for its lovely gardens, and yet one may walk all around the town and see very few flowers. I suppose the gardens are in the rear, following the English custom of having gardens in seclusion.

Nevertheless, it is a selfish custom for a town full of tourists—some lonely and homesick, and, as you well know, many afflicted with tuberculosis—but who are allowed their daily walk, and what do they see? The glorious mountains—from whence surely comes their strength, beautiful homes, well kept lawns, but no flowers to cheer them.

Sierra Madre needs color, and gay flowers will supply this at little cost. Note what a charming contrast the orange groves to the mountains.

If I owned a home here, I would consult a florist and would have the sort of garden which would be in bloom the year round. It can be done, and these flowers would be right in front where the passerby might enjoy them—and pick a few should they feel so inclined.

Should Sierra Madre do this, I feel certain the lonely guest within your town would sing "It's not raining rain at all—it's raining VIOLETS." (—or roses, or daffodils—or what have you?)

#### ALONG THE FOOTHILLS

The county will begin this week at an estimated cost of \$40,000, construction of a road from San Dimas across the top of Puddingstone dam and through the San Jose hills. It will connect with the Covina-Pomona road about one-half mile east of the Kellogg ranch.

Every orchard heater in the Hemet Valley was lighted several nights during the recent cold snap and the thermometers went down as low as 22 but the orange crop was saved.

Contracts have been awarded for construction of a new 3-story hotel of Spanish design at Redlands to cost \$250,000.

Over 200 miles of the \$207,000,000 aqueduct of the Metropolitan Water District that will bring Colorado river water into Southern California will run through Riverside county and towns of the San Jacinto-Hemet Valley are preparing for a boom, for it is estimated that the construction work will extend over a period of six years and that many workmen will be quartered there. The aqueduct will come through a 12-mile tunnel under Mt. San Jacinto, emerging at Potrero canyon, near Gilman's Hot Springs, and will pour into a great reservoir to be constructed either in the Brownlands district or in Perris Valley. This reservoir alone will cost \$30,000,000.

The San Bernardino county board of supervisors has authorized the holding of a special election in Upland next month to decide upon a bond issue for the extension of the city's water system by the drilling of a new well, building of a new reservoir and extension of the pipe line system.

"Jerry" Scofield, former representative of this district in the legislature has been appointed contact man for the county flood control department. The appointment was made by Supervisor Hugh A. Thatcher, of this district. Scofield was one of Thatcher's opponents at the August primary election and the first of them to advocate Thatcher's election in the November final.

Tujunga is all excited again. Every thing anything in the little city happens to rile some of its citizens a movement is started for annexation to Los Angeles. The village chief of police turned Cossack some weeks ago and the Council fired him. His friends have dragged out the well known annexation bugaboo and the place is terribly upset, for a petition to recall some Councilmen who voted to dismiss the over zealous police chief is also being circulated.

## THE NEW FORD

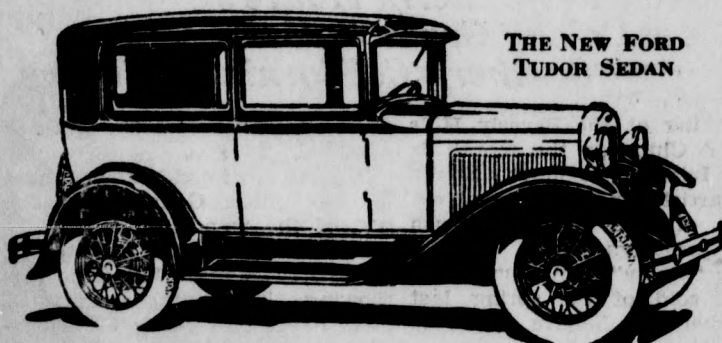

**Everything you want or need in a motor car**

THE more you see of the new Ford, the more you realize that it brings you everything you want or need in a motor car. . . . And at an unusually low price.

Its substantial beauty of line and color is apparent at a glance. Long, continuous service emphasizes the value of its simplicity of design and the high quality that has been built into every part.

The new Ford accelerates quickly and it will do 55 to 65 miles an hour. It is an easy-riding car because of its specially designed springs and four Houdaille double-acting hydraulic shock absorbers. It has fully enclosed four-wheel brakes and the added safety of a Triplex shatter-proof glass windshield. Operation and up-keep costs are low and it has the stamina and reliability that mean thousands of miles of uninterrupted service.

See the nearest dealer and have him give you a demonstration ride in the new Ford. Check up every point that goes to make a good automobile and you will know it is a value far above the price.

WHAT TO DO NOW!

**R**OSE bushes can now be planted in their bare roots. The following bedding plants can be set out now in the garden: Snapdragons, Stocks, Petunias, Calceolarias, Pansies, Violas, Lobelias, Cinerarias, Cyclamens, Larkspurs, Gaillardias, Pentstemons, Verbenas, Violets, Chinese Forgetmenots, Primulas, Canterbury Bells, Wallflowers, Ageratums, Salpiglossis, Shasta Daisies, Marguerites, Columbines, Iris, Cannas, Day-lilies and Gladioli bulbs.

Perennial plants such as Chrysanthemums, Dahlias, Pentstemons, Salvias, Gaillardias, Verbenas and Petunias should be cut back almost to the ground. New growth will come out soon.

Ornamental berry shrubs can be pruned back to shape up the shrub as soon as the berries are gone.

Spring flowering shrubs such as Lilacs, Bridal Wreaths, etc., should not be pruned now or the flowering wood will be cut away.

Hydrangea plants should be cut back to within about two buds from where last year's growth commenced.

Less than \$100,000,000 per year was being spent in the nation a quarter of a century ago in highway improvement, whereas today the country is spending more than \$1,500,000,000 annually.

OUR garden later will depend upon the things you do in it now. January is really a most important month for the home gardener.

All vegetation is as dormant now as it will ever be, therefore, unestablished plants can be moved now with greater safety than at any other time in the year. If you have any plants you wish to move from one part of your yard to another, do it now.

Of course plants that are growing in pots or other containers or that are skillfully "balled" from the ground can be moved practically any time in the year, but now all deciduous plants and trees can be just dug out in their bare roots and transplanted very easily.

All plants that retain their leaves now should be "balled" out of the ground, that is, dug with a ball of earth so that the roots are not exposed to the air.

Here is a guide for January activity in the great out-of-doors that will be found useful:

Prune deciduous fruit trees and roses now. Also the very best time to plant all fruit trees, berries and grapes.

**VISUAL EDUCATION  
WILL BE DISCUSSED  
FOR WILSON P. T. A.**

Opening the new year's activities, the Woodrow Wilson Parent-Teacher Association will devote its program on Thursday afternoon, January 22, to visual education. H. H. Haworth, supervisor of visual education of the Pasadena District, will speak on "Influence of Visual Education on the Child in the Classroom" and there also will be a discussion on "The Influences of the Motion Picture in the Child's Leisure Hours," by Rev. C. V. Cowan, motion picture censor of Pasadena.

As an entertainment feature, Mr. Pickett's Movie and Photography Club will put on a film. Those attending will be given an opportunity to buy slices of Founder's Day cake.

**ETERI CLUB TAKES PRIZE  
FOR BEST ATTENDANCE**

Prior to its meeting yesterday at the F. D. R. Moote home, 689 West Central avenue, the Sierra Madre Eteri club learned that at the recent Eteri Girls conference at the Bible Institute the local club was awarded the district cup for the highest attendance and the highest standing during the year. This is the third consecutive year the cup has been won and it now becomes the permanent property of the club.

**Grigsby Becomes Thirty-Second  
Potentate Of Al Malaikah Temple**

Bruce H. Grigsby was elected Illustrious Potentate of Al Malaikah Temple last week and, for 1931, becomes the ruling head of this Shrine organization and its 15,000 members in Los Angeles and Southern California. He becomes the thirty-second Potentate of this Temple which was founded on February 6, 1888, when a handful of Shriners received a charter from the Imperial Council.

In keeping with the growth of Los Angeles and Southern California, Al Malaikah Temple has climbed to fifth place in the rank of Shrine Temples, in point of membership, as Los Angeles has climbed to fifth place in point of population among cities of the

United States.

The newly elected Shrine head is a product of Illinois, having been born in Stephenson County, November 9, 1880. Soon after his birth his family moved to Kansas where he was educated, finishing with a degree of Bachelor of Arts at the University of Kansas.

He moved to Los Angeles in 1912 and shortly thereafter became an assistant trust officer in the Los Angeles Trust and Savings Bank, now a part of the Security-First National Bank. He is now trust officer of that bank and is a vice-president, having been elected to that position in 1923.

**ILLINOIS SOCIETY WILL  
PICNIC AT SYCAMORE GROVE**

The Illinoisans of all Southern California are opening their picnic rallies for 1931 with their mammoth reunion, all day, Saturday, January 24th, in Sycamore Grove Park, Los Angeles. The Illinoisans are urged to pass the word along to all tourists and new-comers.

Permission has been granted for the construction of the Oneonta cross-over, which will eliminate the present turn on the north side of Huntington Drive at the Oneonta station of the Pacific Electric Railway.

**SOUTHLAND**  
(Continued from Page One)

appoints all of the committees and their chairmen. It is a very easy matter for him to so constitute the committees that each shall be controlled by him or by his interest which he represents. For years the North has dominated the South and the domination has been particularly manifested by the San Francisco representatives. For example, there was no reapportionment made until 1927, although the Constitution requires it to be made in 1921.

Although Southern California pays 60 per cent of the State

taxes it receives back in the way of appropriation for roads, buildings, etc., only about 40 per cent. As a general rule the bay region demands two to one in the way of appropriations before it will vote to support any measures benefiting Southern California.

For these reasons it is hardly conceivable that an assemblyman from Southern California, and particularly an Assemblyman from Los Angeles County, would vote for a San Francisco man for speaker as against one of his own number. About three months ago the Los Angeles delegation met in a regular meeting and by a unanimous vote all of those voting decided to support the candidacy of Walter J. Little for speaker.

In spite of this and in spite of the various considerations referred to above, four assemblymen from Los Angeles County deserted their delegation and ignoring the best interests of Southern California, gave their active aid and support to Mr. Levy.

From an individual standpoint these four assemblymen—William G. Bonelli of Eagle Rock, Harry F. Sewell of Whittier, Milton M. Golden of Hollywood, and Ben A. Hill of San Pedro—stand to gain handsomely because each of them is slated to receive splendid committee appointments and chairmanships from the hands of their candidate for speaker, but Los Angeles County and Southern California and the people whom the represent have been irreparably damaged.

**MINNESOTA'S MID WINTER  
PICNIC AT LONG BEACH**

The annual Minnesota Picnic for Southern California will be held at Bixby Park, Long Beach, on Saturday January 31, 1931. All Minnesotians and their friends are cordially invited.

The world's largest airplane hangar, 248 feet wide and 310 feet long, has just been completed at the United Airport near Los Angeles.

## In A Social Way

Miss Gertrude Karpf, daughter of Mr. and Mrs. Louis Karpf of 75 East Grand View avenue, and Edward I. Beck, son of Mr. and Mrs. Benjamin Beck of Los Angeles, were united in marriage at an impressive ceremony by Dr. Eugene Rosenberg of the Temple Beth El, Hollywood, on Saturday evening at 7 o'clock, at the Vista el Arroyo Hotel in Pasadena.

A dinner and dance was held at the hotel for the bridal couple and the 175 wedding guests, among whom were many persons prominent in law and medical circles.

The bride graduated from Pasadena high school in 1924 and later attended the Victor Mortimer school in Pasadena. Mr. Beck graduated from Los Angeles high school and received his bachelor of law degree from Southwestern Law school. He is associated with a Los Angeles investment house. After a month's honeymoon the

couple will be at home to their friends in Beverly Hills.

### FRIENDS CELEBRATE MRS. JENSEN'S BIRTHDAY

The R. S. Jensen home at 561 West Grand View avenue was the scene of a gay surprise party last Friday evening, when two dozen friends and relatives assembled in honor of Mrs. Jensen's birthday. Besides the Jensen family, those participating in the festivities were Mr. and Mrs. F. D. R. Moore and daughters Margaret, Dorothy and Kathleen; Mr. and Mrs. F. S. Ackley and sons Barcroft, Roger and Philip; Mr. and Mrs. J. O. Smith and sons Graeme, Merrill, Ben and Bruce; Sammy Hori, and Mrs. W. M. Bristol of Highland. Mrs. Jensen's aunt who has been a guest in the Jensen home for several days. The evening was spent in playing games after which refreshments were served, which included the lighted birthday cake.

## Fire Flames

By one of the boys  
As we look over the list of firemen of the local department, we see that a few of the boys have been on the job for several years. Some are charter members. Chief Richards who was one of the original organizers of the present fire company and has been with it ever since. The other charter men are Hibbs, Norris and Kargar. These fellows have been members for at least 10 years or more. A few have been with it for six years and some four or five. A history of our organization may be in order, but that will be postponed for a later date.

In order to retain interest, and a good attendance, a congenial and amiable group had to be chosen. Our method of electing new members has proven very successful in the past and we hope the future. It has been our good fortune to select a group that were interested in the work as well as agreeable in personality. Seldom does one hear one of the boys speak ill of another. If we have a fault to pick, it is brought out in the open and discussed and it might be said, settled.

The writer has a great deal of respect for the boys of Sierra Madre's fire department, because ample time has elapsed to prove their worth, as well as their loyalty.

They do loath to be bragged on. One exception may be made to this because we have disclosed that its a good rule to "blow your horn." George knows this means George, but he won't get sore. Other than that the assistant chief is a perfect piece of humanity. He is without a doubt the finest looking one. Some women folks may not agree, but we wonder if they ever noticed that dimple in his chin. He also has a lovely complexion, with a smile attached.

We have some other good looking ladies, but you must look quickly. Take a look at any of them, and see that faraway glance in their eyes.

Anyway the 'gang' had a fine tryout last Friday evening. We rolled off a lot of hose and tried out a plug near the school house. (The new one.) The pumps were found in good order, the fire plug worked fine, the hose didn't burst and Louie Kargar took his place at putting the hose back on the truck. This of course supplied the usual controversy and disruption of good order.

With Assistant Chief Norris in the chair, the meeting following was of the usual nature, with many problems before us. Discussions all settled, the Southwest Corner went to work while Vin Fleming prepared a swell feed of spaghetti.

## MANY WOMEN ATTEND LUNCHEON OF THE PTA

Eight car loads of Sierra Madre women attended the luncheon and food demonstration sponsored by the local P.T.A. in Los Angeles last Friday.

A delicious lunch was served at 12:30 followed by a demonstration of cooking by Kate Brew Vaughn. Prizes of food were given to a number of the ladies. A musical program was furnished by the "Peppercot Boys." The proceeds of this affair will go to swell the P.T.A. treasury.

Those who enjoyed the day were Mrs. C. D. Croan, Mrs. W. J. Schiltz, Mrs. Marian Collins, Mrs. E. R. Thompson, Mrs. Kittle Buie, Mrs. R. J. Walsworth, Mrs. W. M. Barker, Mrs. James Vieira, Mrs. W. C. ## Woman's Society Takes Up Its Work With Enthusiasm

By MRS. ANNA S. BACON

Looking back through 1930, the Woman's Society of the Congregational church recalls many pleasant contacts and worthwhile achievements.

The usual monthly sewings, on the first Tuesday of each month, were enjoyed both for their sociability and for the help we tried to give the splendid staff of the children's home with their mending, darning, etc.

The monthly missionary luncheons, on the third Tuesday of each month, have been well attended and some delightful programs were given.

The contribution to the church building fund was perhaps a little less than last year, but more money was given to the cause of missions.

The society feels very deeply the passing away of Mrs. Arthur O. Pritchard, our pastor's wife, and her cheerful, efficient help is sadly missed in all departments of the church.

Miss Clara Larjar will also be missed from among our number in the present year.

The various committees are enthusiastically looking ahead and under the leadership of the new president, Mrs. W. S. Hull, are already entering upon a full program of activities for 1931.

## Foothill School Has 550 Musicians Among Its Students

A distinctive and unique musical event is to be given this (Friday) evening at the Monrovia-Arcadia-Duarte High school, when 550 music students from the public schools of these communities will give a program to demonstrate the musical development in the schools and portray the musical evolution from the youngest elementary school children who participate in toy symphonies, through all of the grades, culminating in a performance of one movement of the "New World Symphony" by the High School Symphony orchestra.

Mr. and Mrs. John Frieson and little daughter Beverly, have returned to Bakersfield after spending a week with Mr. and Mrs. H. Clay Reavis on Sturtevant Drive. Mrs. Frieson is a sister of Mrs. Reavis.

Redlands has asked for bids for the construction of a new \$85,000 city hall.

**Orange Show Ushers In "Festival Year" Program Of State**  
The first major event in California's "Festival Year," the Twenty-First National Orange Show, to be held in San Bernardino, February 19 to March 1, will surpass in magnificence its score of past achievements. Louis Wolff, president of the show announced yesterday as artists began their interior work on the decorative theme.

"In A Persian Garden" will be the setting for the ten million citrus fruits to be displayed in feature and rack exhibits. The 800 foot long and 135 foot wide main building is being hung with 50,000 square yards of stencilled materials in keeping with the theme.

Attendance of well over a quarter of a million persons is estimated by Manager Mack. Combined with the splendor of the citrus classic will be an automobile show, an agricultural exhibit featuring not only crops but machinery, and a general carnival fiesta.

There were 522 permits for apartment houses, valued at \$11,386,535; 4399 permits for single dwellings at \$5,140,219, and 951 double dwellings at \$5,140,219.

More than \$73,000,000 worth of building permits were issued of which 42.7 per cent were residential buildings; 29 per cent were business, manufacturing or industrial buildings.

"Run by Sierra Madre People for Sierra Madre People"

Friends of Mrs. R. O. Calkin will regret to learn that she is very ill at her home, 497 West Grand View avenue.

Mrs. J. C. Dickson of 169 West Montecito avenue, who sprained her ankle some time ago, is slowly recovering and is now able to walk around in her home.

SINCERE APPRECIATION  
To our many friends who so willingly assisted during the illness and passing of my dear one, to all who offered kind words of comfort, to those who expressed their sympathy by sending flowers, and to all who in any way assisted in this sad hour, I extend this acknowledgement of my sincere thanks and appreciation.
